

Jim Page

in concert

Jim's been writing great topical songs for as long as I can remember, bringing his acute wit and wry humor to a host of subjects that can really use both. In the tradition of Woody and Dylan, he cuts right to the heart with music you actually enjoy listening to. I'm a longtime admirer - *Bonnie Raitt*

Jim Page's songs get right to the point. He looks at the world clearly and reports what he sees with compassion, humor and a biting sense of irony. And boy! can he sing and play. If you're ever going to get the message, this is the messenger to get it from - *U. Utah Phillips*

Jim Page is a lyrical genius with a guitar - *Gavin Magazine*
