

Jim Page is a singer and song writer who has released two dozen albums and written a mountain of songs - some covered by the likes of Christy Moore, Dick Gaughan, Roy Bailey, Michael Hedges, and the Doobie Brothers. He has been named "One Of the 50 Most Influential Musicians In Seattle History." He shows no sign of slowing down.

"Jim's been writing great topical songs for as long as I can remember, bringing his acute wit and wry humor to a host of subjects that can really use both. He cuts right to the heart with music you actually enjoy listening to. I'm a longtime admirer." **BONNIE RAITT**

"Jim Page is a lyrical genius with a guitar. This man personifies the word 'free-flow.' Page takes to the mic and the song invents itself on the spot; his talent is a natural wonder." **GAVIN REPORT**

"Every now and again I encounter a singer who gives me a glimmer of hope. Jim Page carries the light." **CHRISTY MOORE**
