WHAT SOME FOLKS SAY ABOUT JIM'S MUSIC.

“Jim’s been writing great topical songs for as long as I can remember, bringing his acute wit and wry humor to a host of subjects that can really use both. In the tradition of Woody and Dylan, he cuts right to the heart with music you actually enjoy listening to. I’m a longtime admirer.” -----Bonnie Raitt

“If Jim Page ain’t the bastard son of Woody Guthrie well then I’m T-Bone Walker!”-----Robert Hunter

“Every now and again I encounter a singer who gives me a glimmer of hope. Jim Page carries the light.”
 -----Christy Moore

“If you’re ever going to get the message, this is the messenger to get it from!” -----U. Utah Phillips
